

# Rotating Bracket

Mounting bracket for Andromeda and Octavia range

## FEATURES

- Lockable positions
- Designed for use with the Andromeda and Octavia range
- Tough anodised finish
- Used for applications where the light fitting may be rotated

## DESCRIPTION

The Rotating bracket has been designed as an additional feature for the Andromeda, Andromeda Gullwing, and Octavia products. It simply fits directly into the T-Slot of any of the three light fittings.

The bracket system on the fitting can then be manipulated to alter the direction of the light to suit the application.
